**ORDER CORRECTING CLERICAL ERRORS  
IN DECISION 01-09-064, ATTACHMENT A**

It has come to the Commission's attention that Decision 01-09-064 contains two inadvertent clerical errors as follows.

One, Paragraph 5.7 of the Charter of the Payphone Service Providers Committee, which is the one of the advisory board charters included in Attachment A of the decision, states:

5.7 Records. As provided in Paragraph 4.2 (a), the *Telecommunications* Division liaison shall record and prepare written minutes of PSPC meetings. A tape recording of the meetings may be made. The *Telecommunications* Division liaison assigned to the task of preparing the written minutes shall submit them to the Committee at its next meeting for review and approval. Written minutes shall: (a) identify the date, time, and place of the meeting; (b) identify the Committee members in attendance, and (c) contain a summary. Copies of the minutes shall be provided to the

Commission or any interested party upon request. (Emphasis added.)

However, Paragraph 4.2(a) provides that the Commission's Consumer Services Division liaison will prepare minutes. Paragraph 4.2(d) provides that the Telecommunications Division liaison will assist in the development of the program's proposed fiscal year budget and in the preparation of the annual report.

Two, Paragraph 3.4 of the Charter of the Universal Lifeline Telephone Service Trust Administrative Committee, second sentence, incorrectly uses the abbreviation "ULTSMB", rather than "ULTSAC", to refer to that advisory board.

Therefore, under the authority of Resolution A-4661,

**IT IS ORDERED** that:

1. Paragraph 5.7 of the Charter of the Payphone Service Providers Committee, included in Attachment A of Decision 01-09-064, is corrected to state:

5.7 Records. As provided in Paragraph 4.2 (a), the Consumer services Division liaison shall record and prepare written minutes of PSPC meetings. A tape recording of the meetings may be made. The Consumer Services Division liaison assigned to the task of preparing the written minutes shall submit them to the Committee at its next meeting for review and approval. Written minutes shall: (a) identify the date, time, and place of the meeting; (b) identify the Committee members in attendance, and (c) contain a summary. Copies of the minutes shall be provided to the Commission or any interested party upon request.

2. Paragraph 3.4 of the Charter of the Universal Lifeline Telephone Service Trust Administrative Committee, included in Attachment A of

Decision 01-09-064, is corrected to state:

3.4 Removal. Any member may be removed at any time by the Commission or the Executive Director, in accordance with procedures adopted by the Commission. A majority of the ULTSAC members may recommend removal of a member upon demonstration of reasonable cause, provided, however, that reasonable cause may not include any policy position taken by a member as a member of the Committee. The Commission must approve the Committee's recommendation to remove any member.
